1. Everyone has the right to be safe and happy.
2. Every child has the right to learn.
3. Everyone matters.
4. The staff in The Coppice Primary Partnership will:
 - 4.1 Promote mutual *respect*, by talking to children quietly and respectfully and listening carefully to what they have to say.
 - 4.2 Teach children to take *responsibility* for their actions.
 - 4.3 Support children to *repair* the harm that has been caused by inappropriate behaviour.
 - 4.4 Promote *re-integration* so that young people can remain part of the school community with a worthwhile contribution to make.
 - 4.5 Support children in acquiring the communication skills and vocabulary needed to achieve good outcomes based on restorative approaches.
 - 4.6 Ensure the language they use reinforces positive behaviour.
 - 4.7 Recognise, draw attention to and guide children in the desired good behaviours that are promoted throughout the school.
