

## TRUST LEADER NEWSLETTER – 23<sup>RD</sup> APRIL 2021

### A Warm Welcome Back

I hope that you all had a wonderful Easter Break. We certainly saw all of the seasons in the two weeks, from sunshine to snow and hail! I don't know about you but I certainly enjoyed the steps we've all taken to getting back to 'normal'. A haircut was very much needed, but also being able to do things outside of a local walk was fantastic.

Over this first week back, I have really enjoyed getting out into the three wonderful schools in our Trust. In each school, the passion for children's education and wellbeing came through and I have been made to feel very welcome by everyone.

Communication is very important to me. I know that over the last year, we have had to get used to communicating in new (and often internet thwarted!) ways. As soon as times allow, I would very much like to meet more of you.

I will be using this newsletter to keep you up-to-date on things to do with the Trust and hope that you find the information useful.

The Trust have today released an advert for a Trust Administrator. This exciting position will work closely with me, and other members of the Trust Executive Team to establish strong administration functions allowing educational staff to focus on securing the highest possible standards for all children, and also be responsible for clerking for the Board of Trustees.

The full information about the role can be found on Kent-Teach [here](#).

*"I believe that work of excellence is transformational. Once a student sees that he or she is capable of excellence, that student is never quite the same."*

Ron Berger – An Ethic of Excellence

## @CoppiceP

Did you know that The Coppice Primary Partnership has its own Twitter account? If you don't, then give it a follow!

Loose Primary School (@LoosePrimary), Coxheath Primary School (@coxheathprimary) and St Katherine's School and Nursery (@StKathsKent) all have very active Twitter accounts to keep you informed of what is going on in the schools and share fabulous pictures of what the children have been doing. I am very keen that the Coppice Primary Partnership also use this brilliant way of sharing information.

The Twitter account for the Coppice Primary Partnership is @CoppiceP and on there we will be sharing news and updates from the Trust and celebrating the great work that goes on in our schools. Please give us a follow so that we can keep you up-to-date with the exciting times ahead for the Trust.

I wanted to end this very short, introductory newsletter to say a very big thank you to the communities in all three schools. Having the opportunity to stand on the gate in the morning with Mrs Powell, Mrs Holman and Mr Mazza and then walking with them around the school made me feel very privileged indeed.

I will be very much 'out and about' over the coming weeks so if you do see me and want to say hello, please feel free. I am excited about the work we can do together in continuing to improve the educational experiences for the children in our Trust.

Mark Chatley – Trust Leader
